

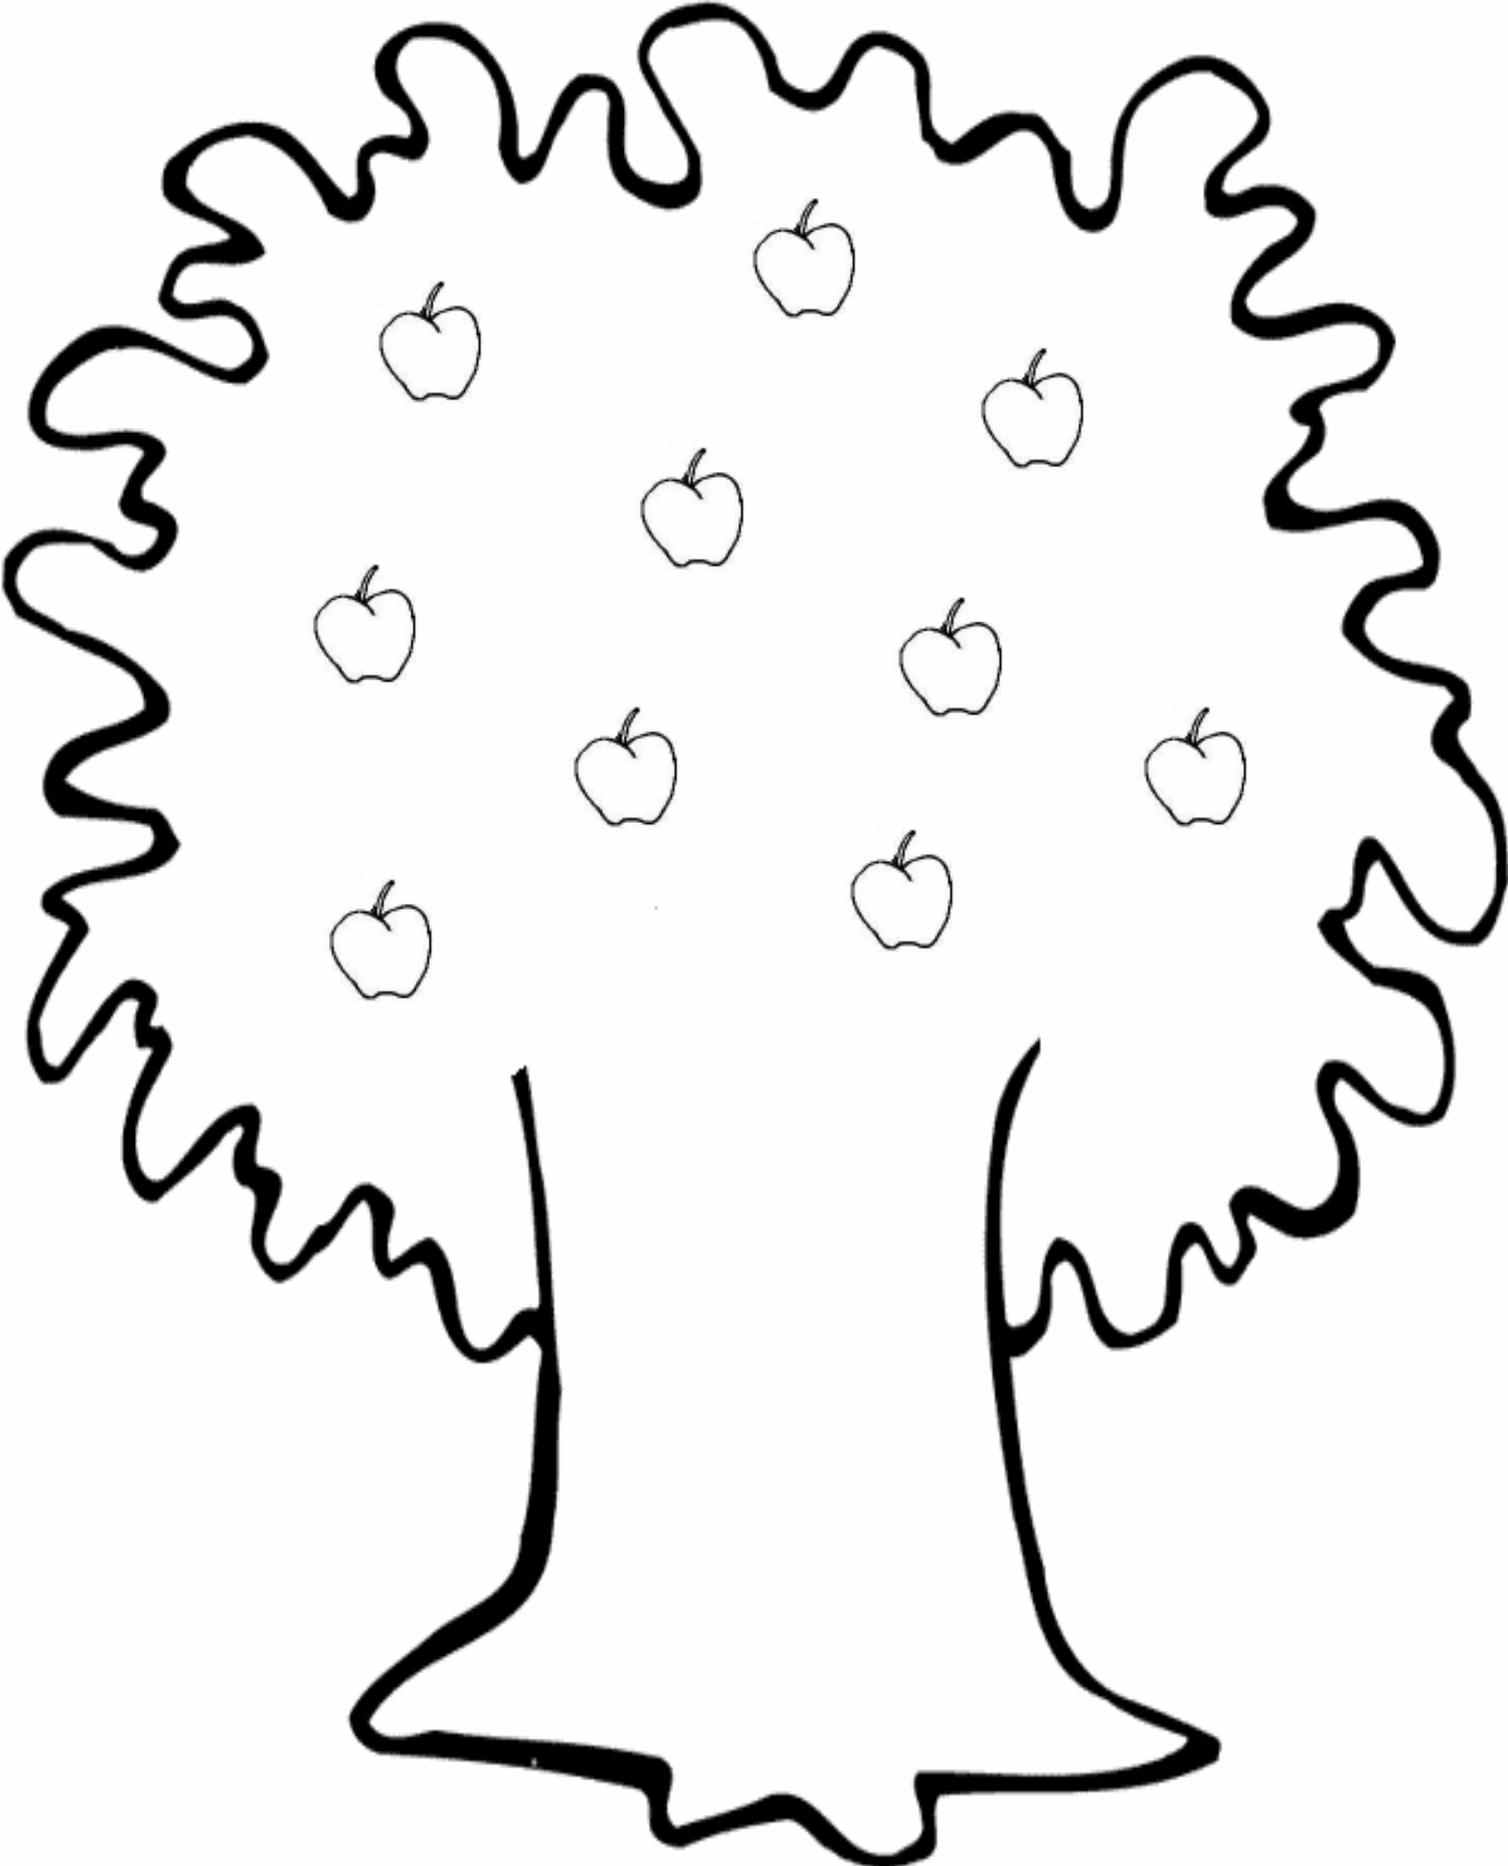

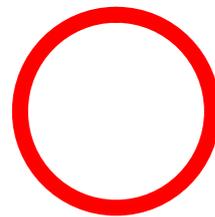

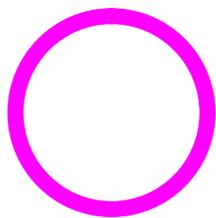

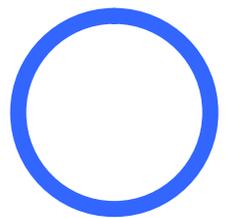

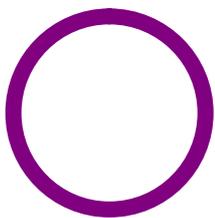

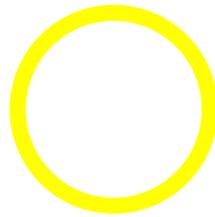

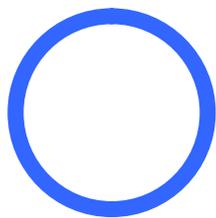

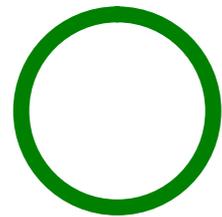

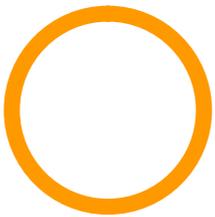

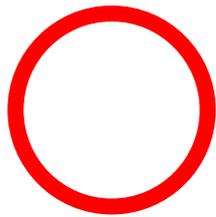

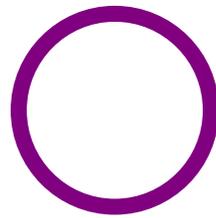

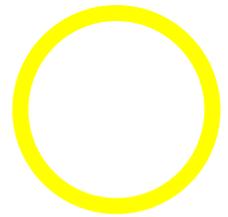

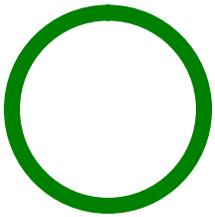

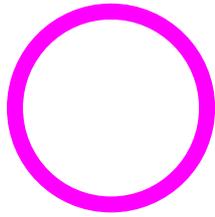

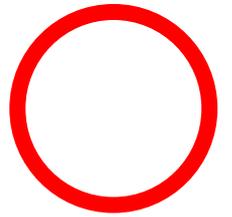

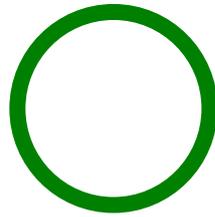

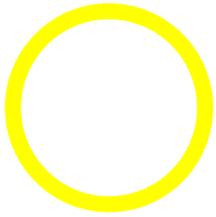

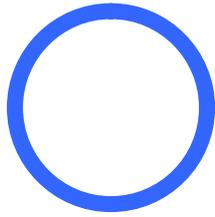

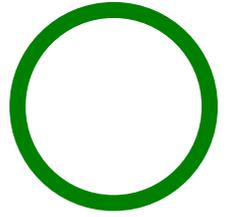

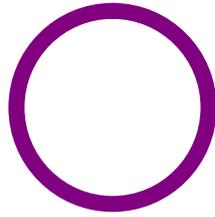

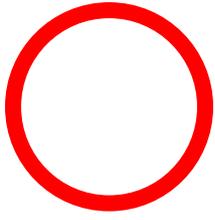

Graphisme: relie les points par un trait horizontal.

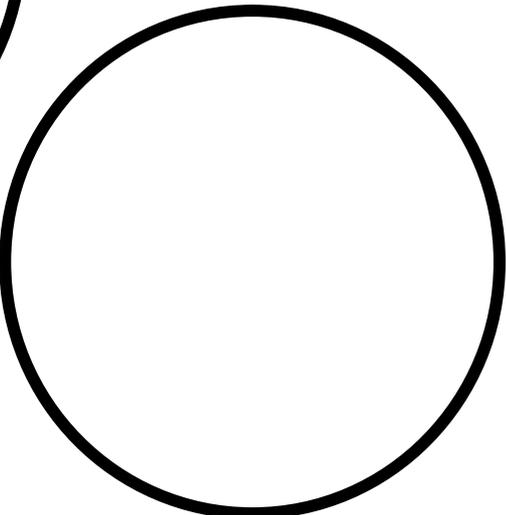

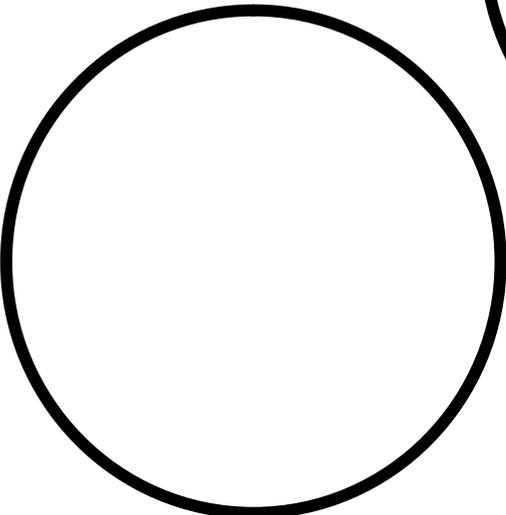

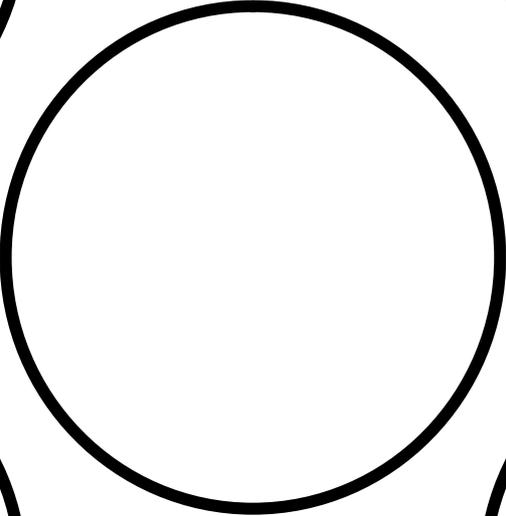

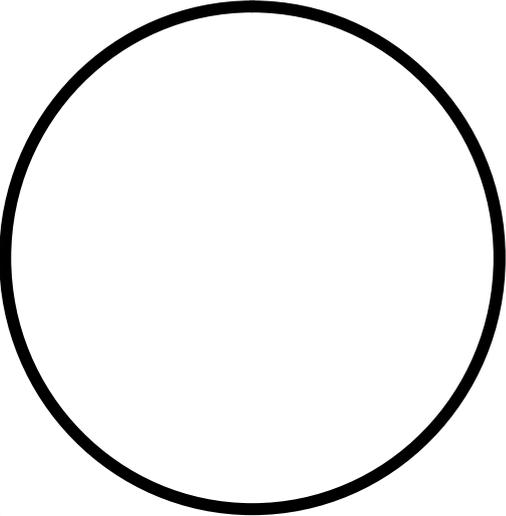

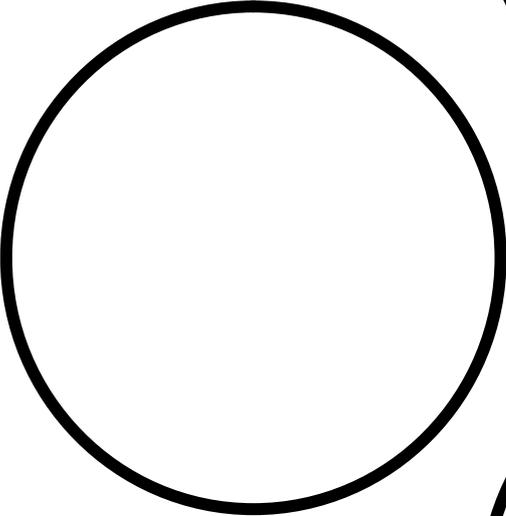

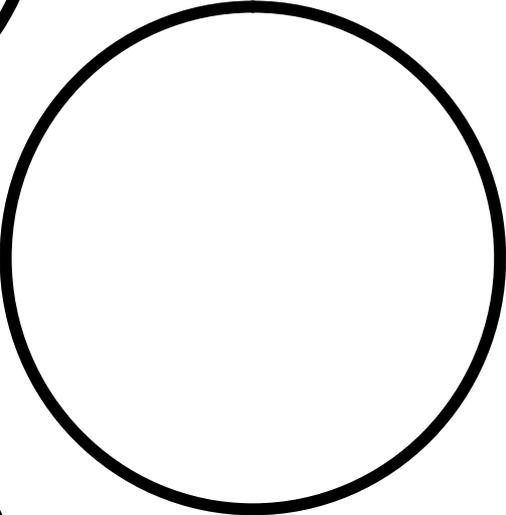

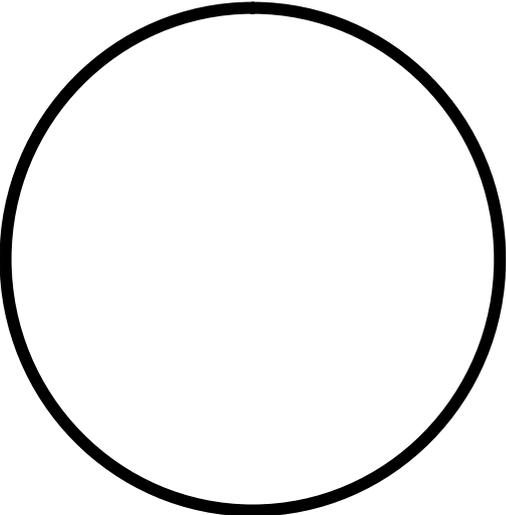

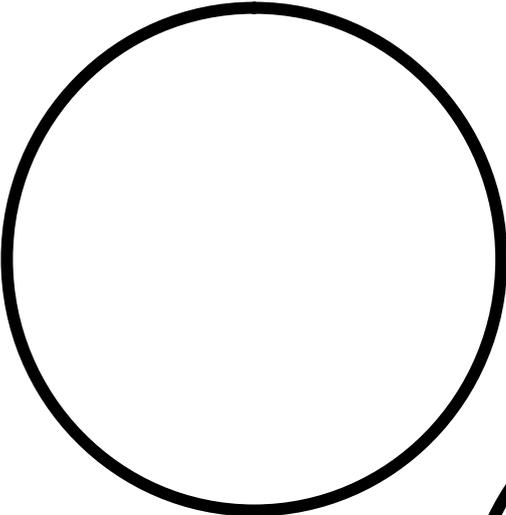

Colorie les pommes en ROUGE.

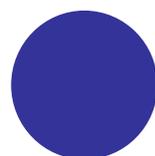

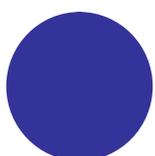

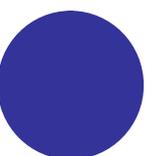

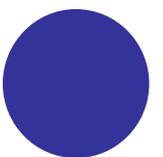

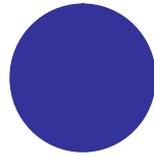

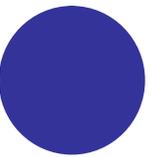

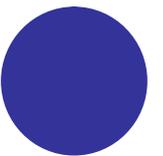

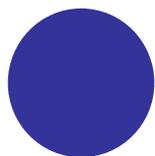

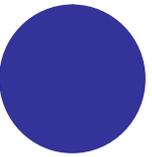

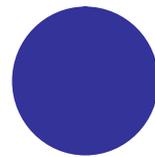

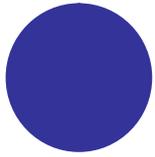

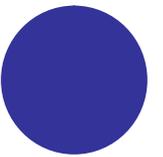

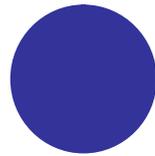

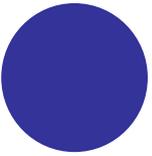

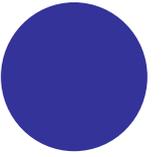

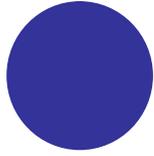

Colle dans chaque rond une gomme de la même couleur.

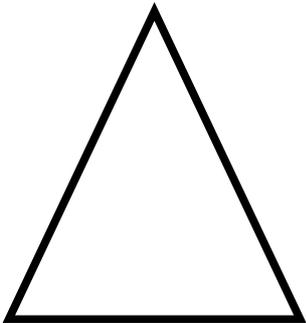

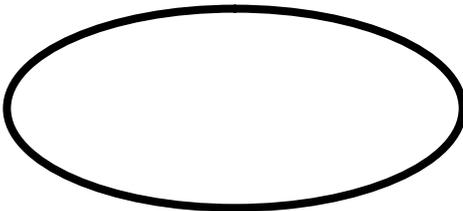

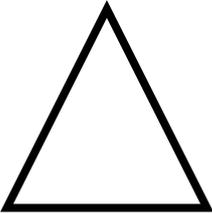

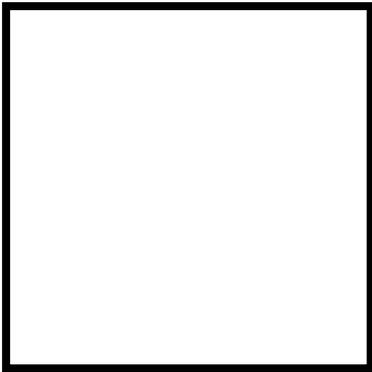

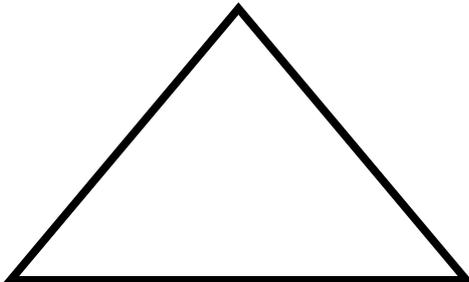

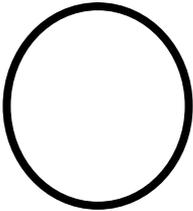

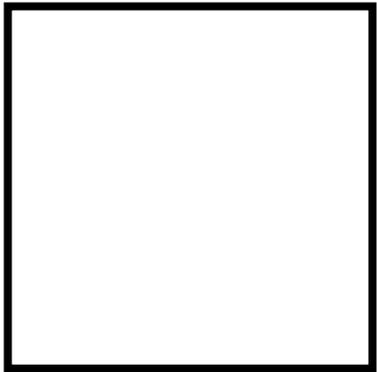

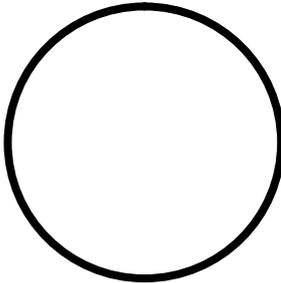

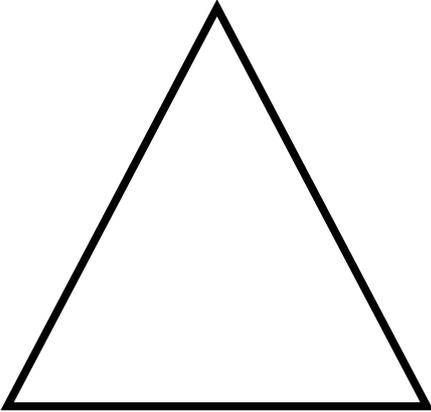

Dessine un rond dans chaque rond.

Entoure chaque gomme, comme le montre le modèle.

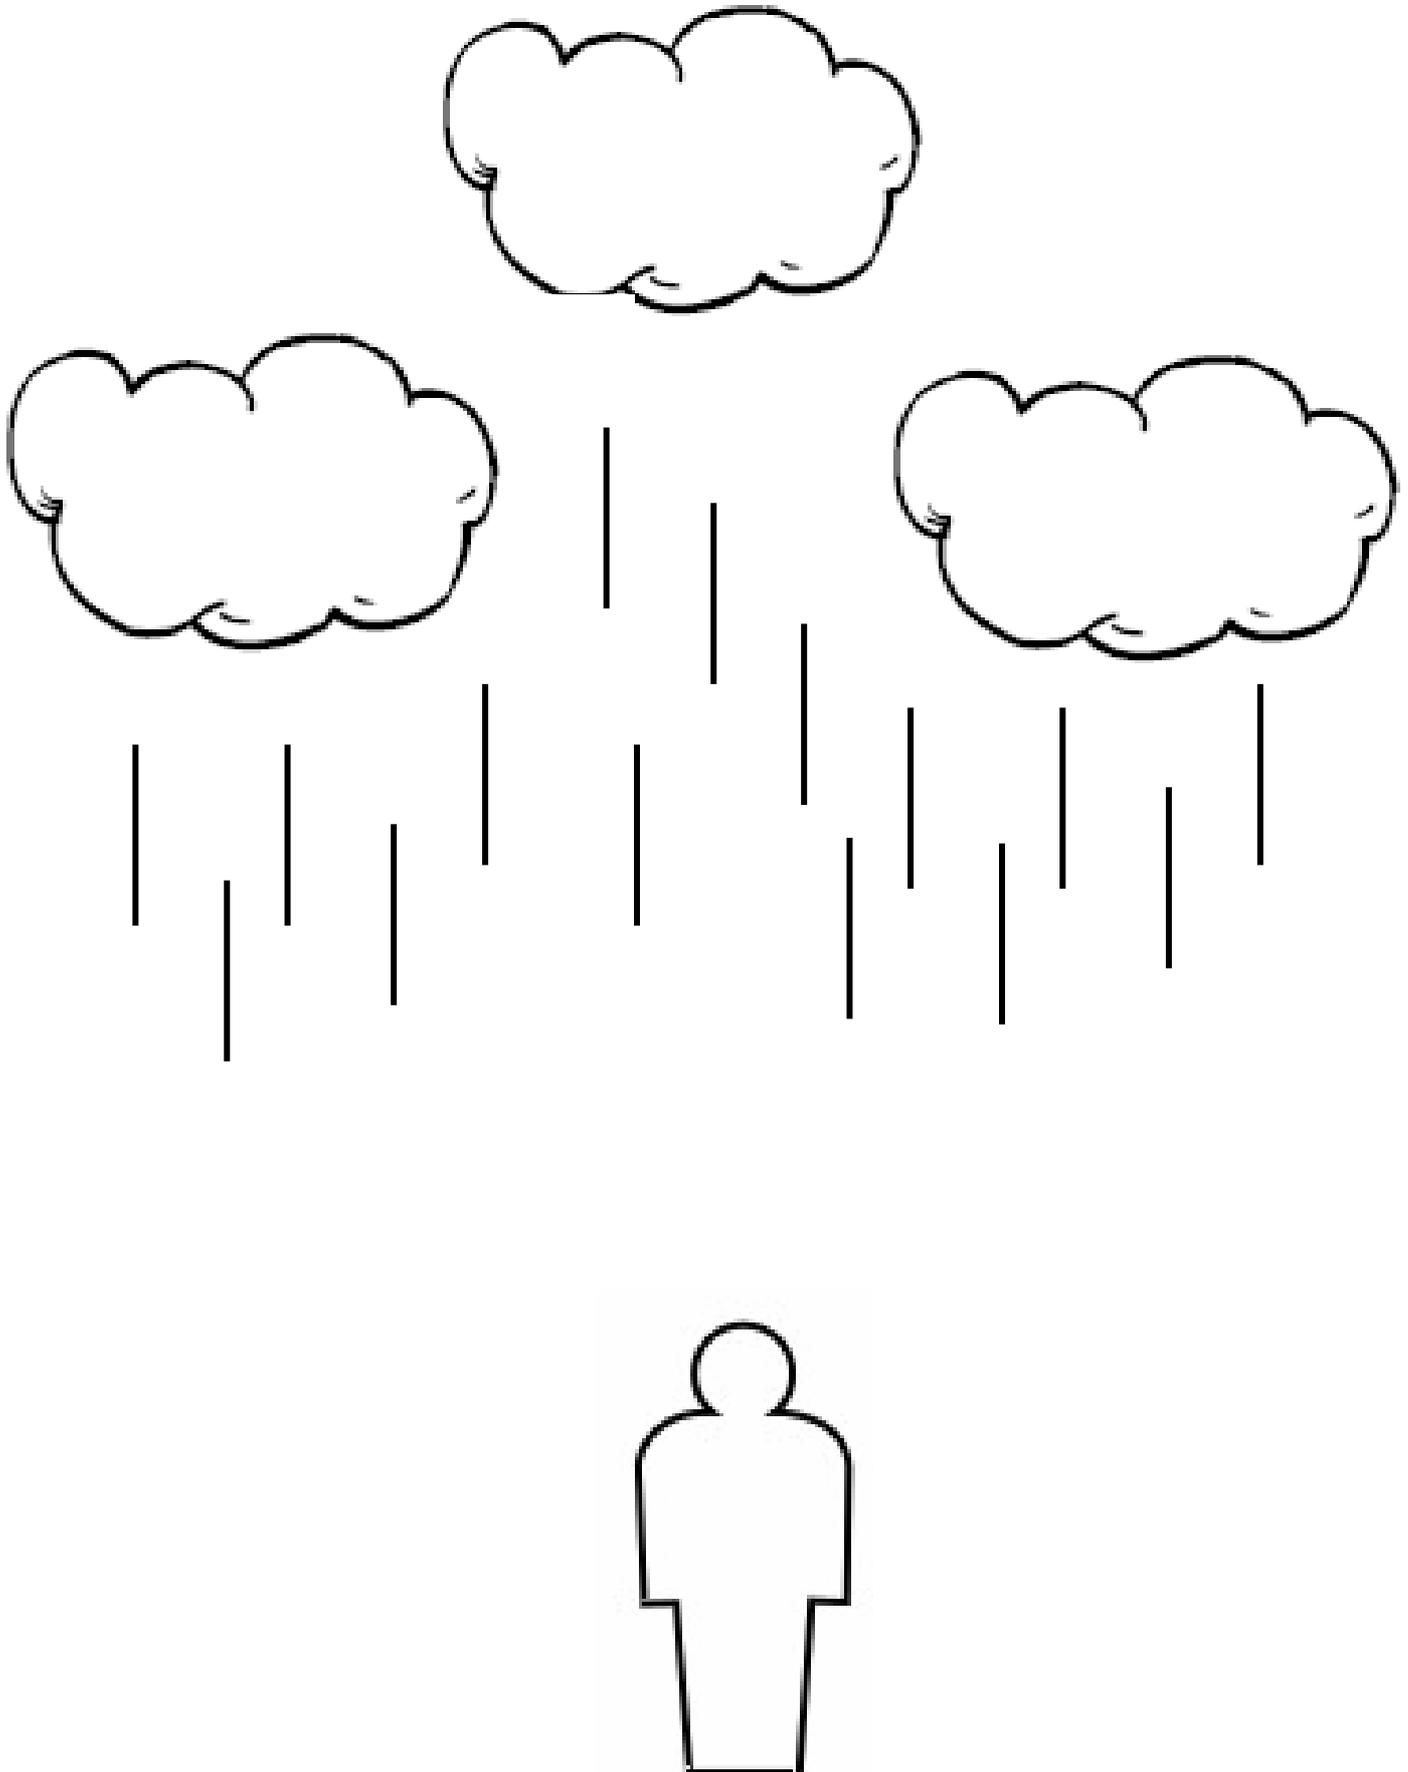

M athématiques: colorie uniquement les triangles

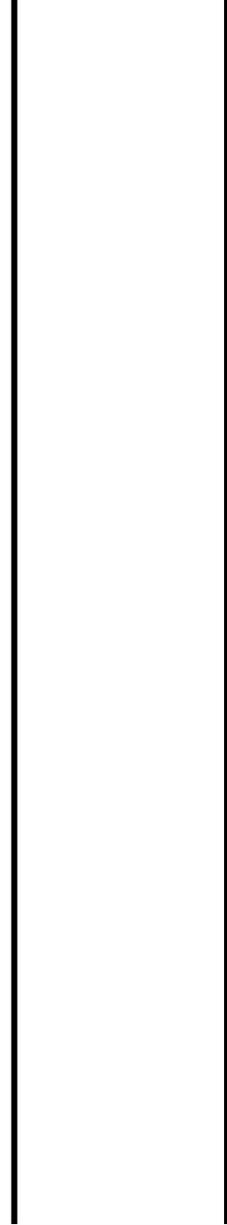

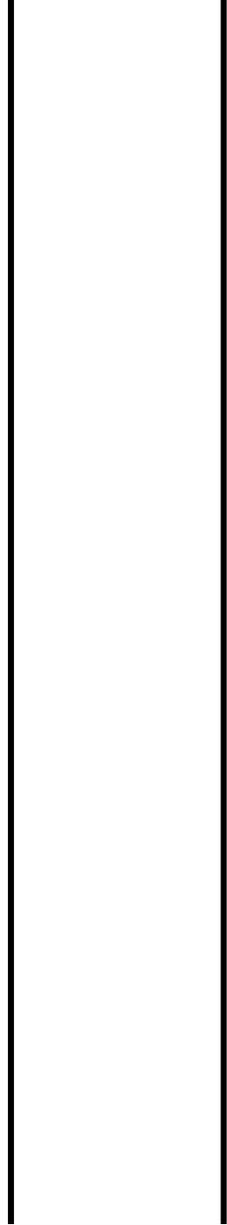

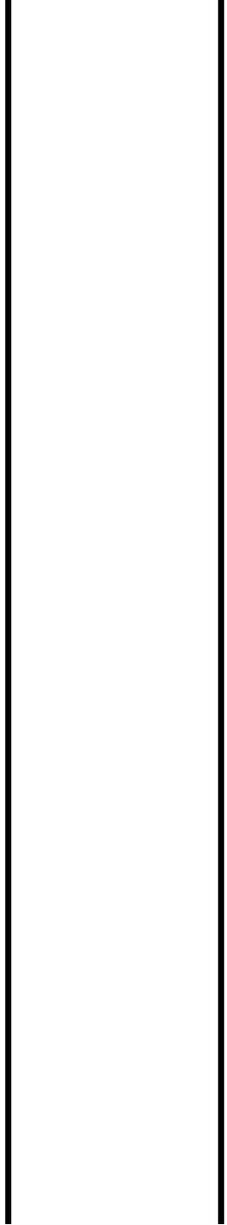

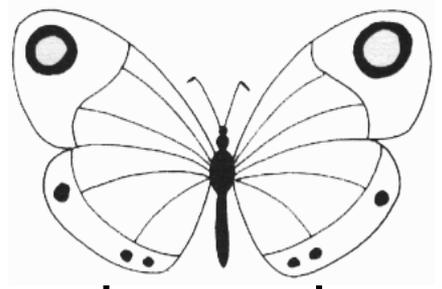

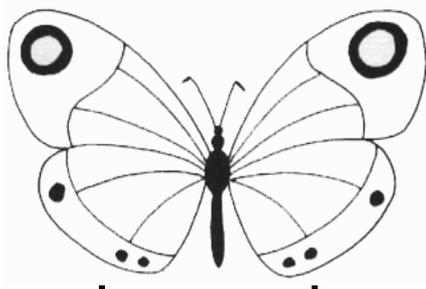

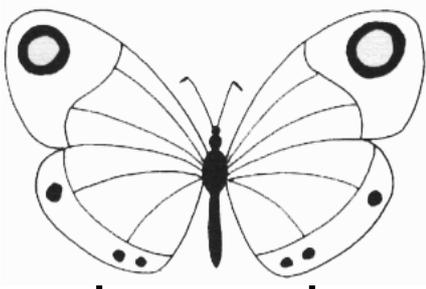

Graphisme: les lignes verticales

Il pleut: dessine la pluie qui tombe sur le bonhomme.

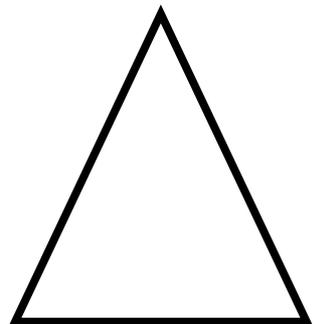

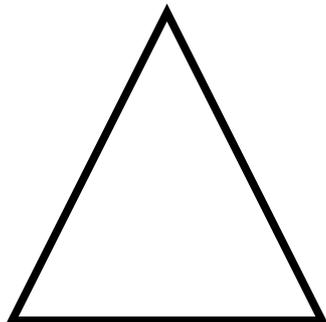

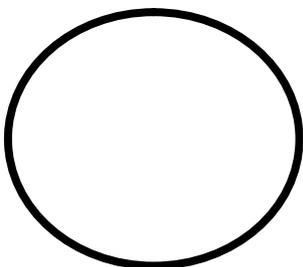

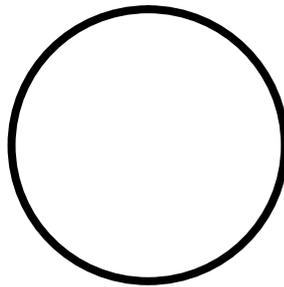

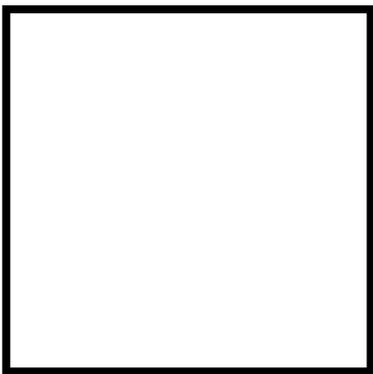

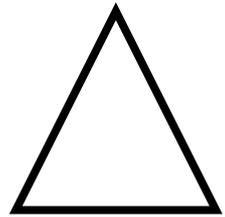

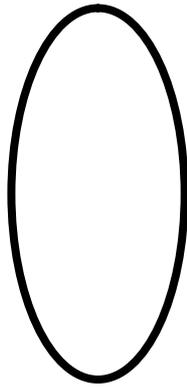

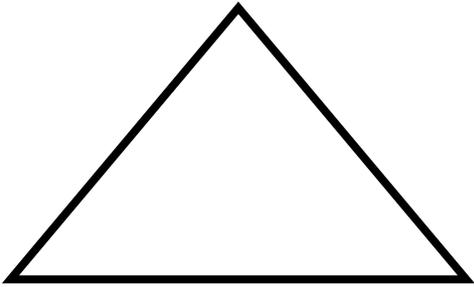

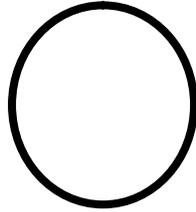

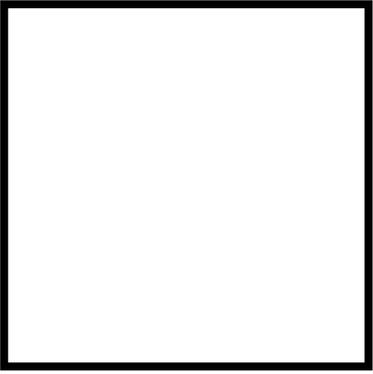

Graphisme: les lignes verticales

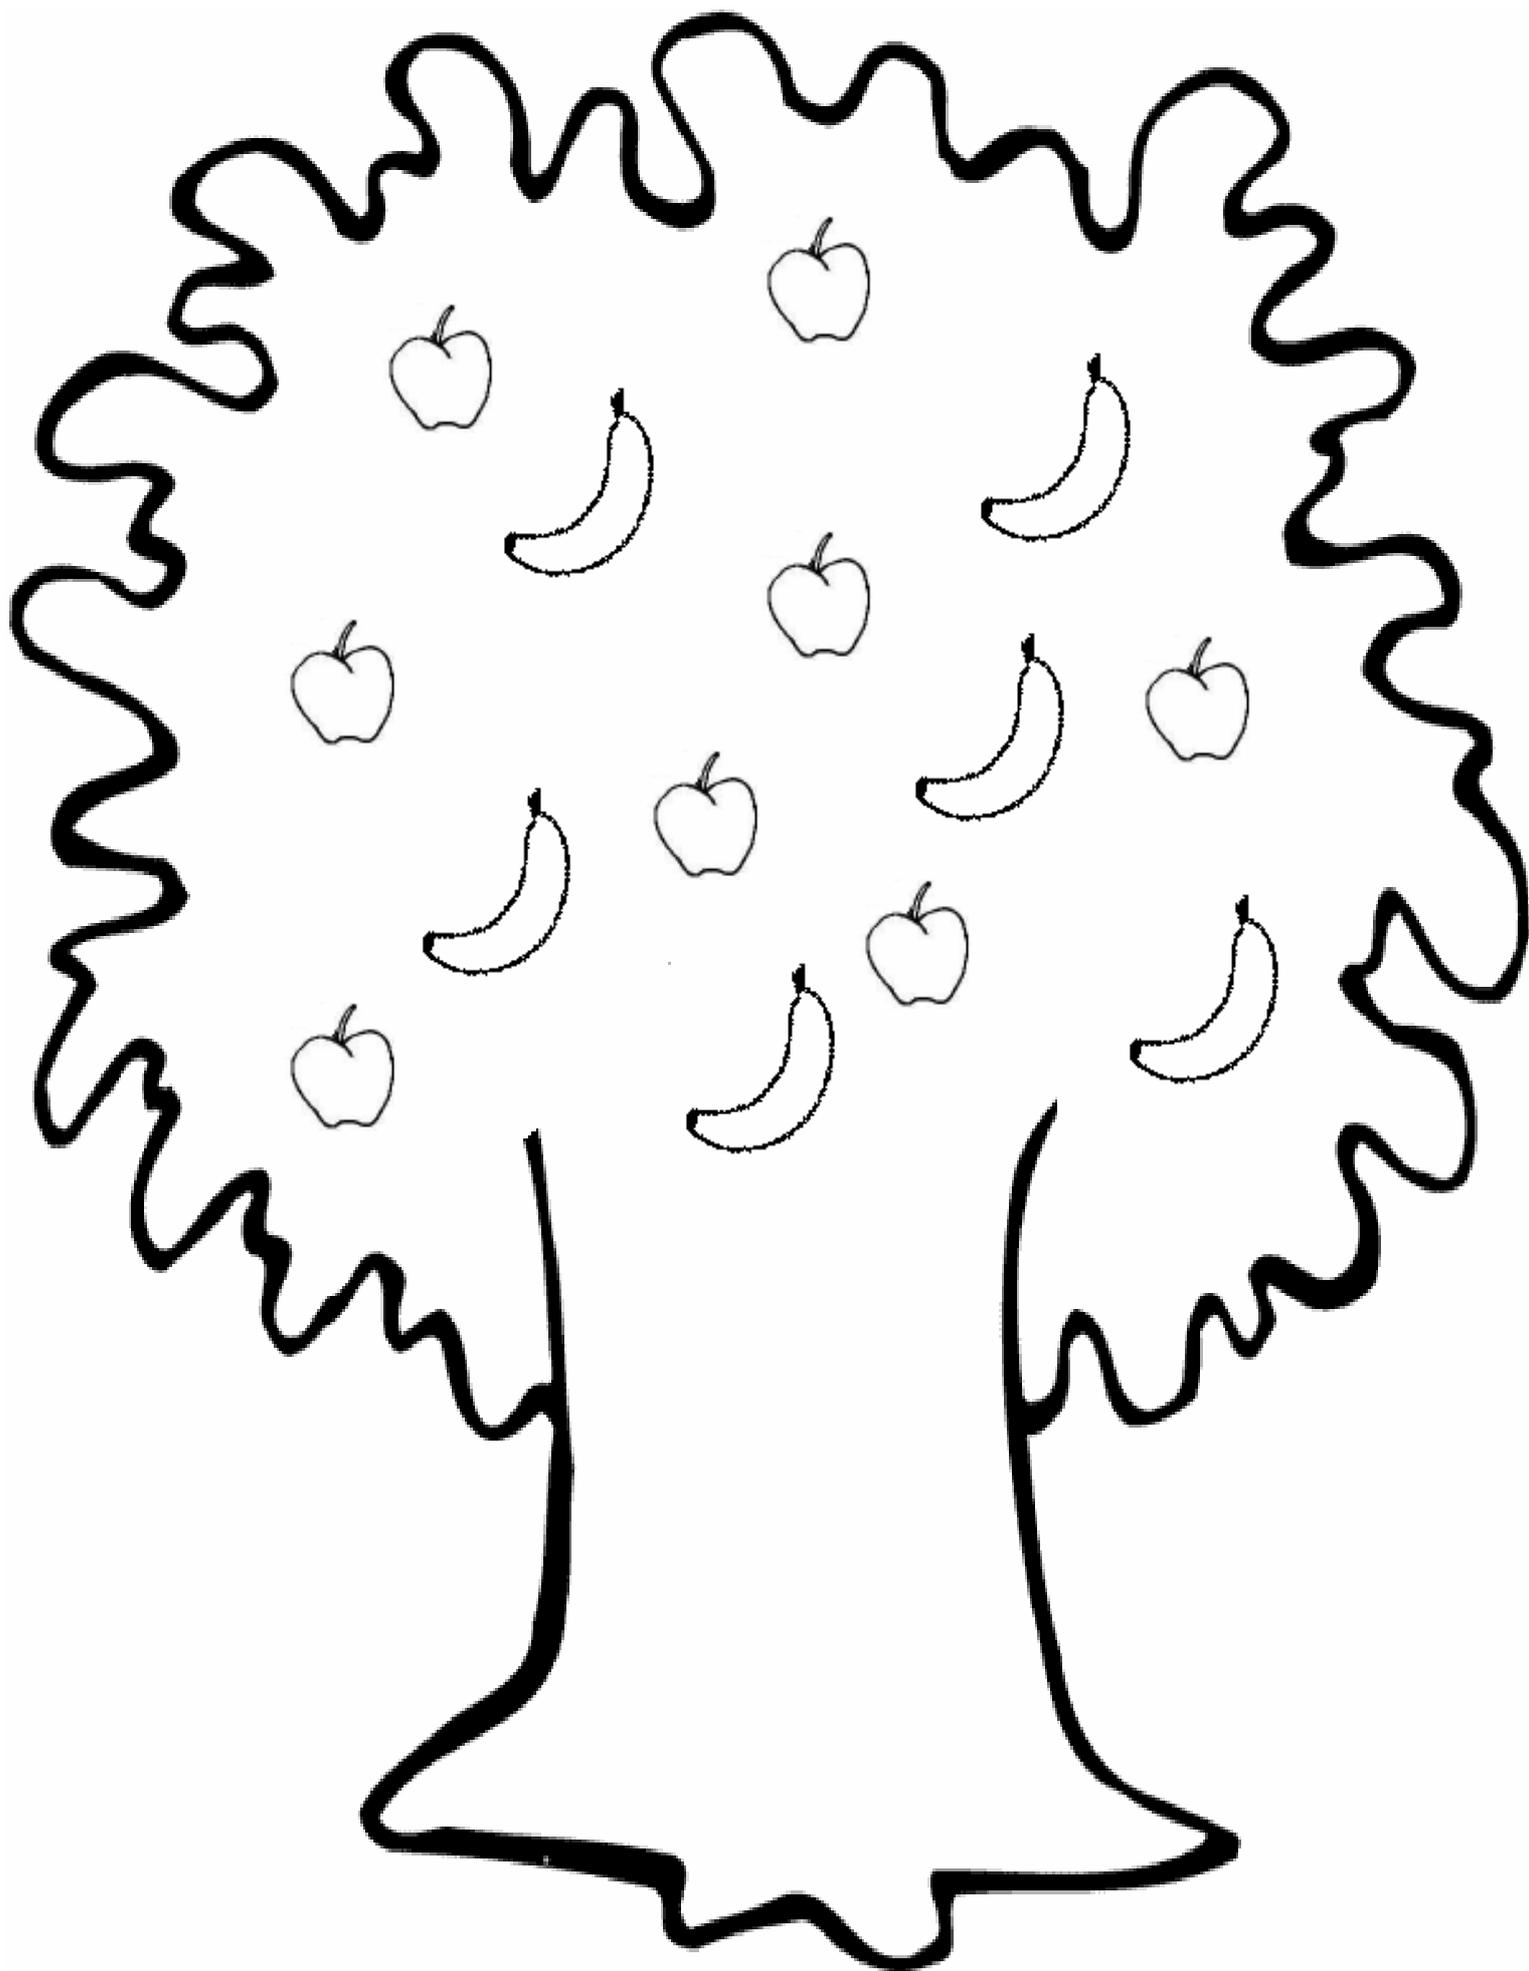

Aide le papillon à aller sur la fleur en traçant des lignes verticales.

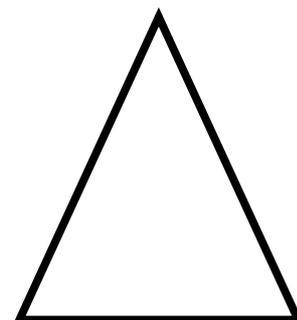

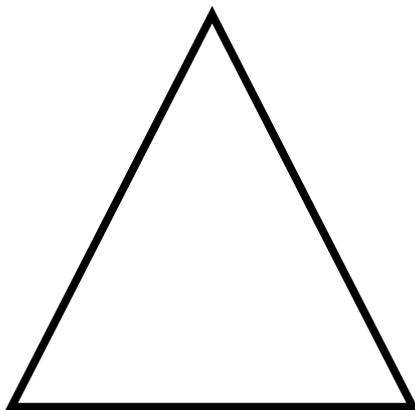

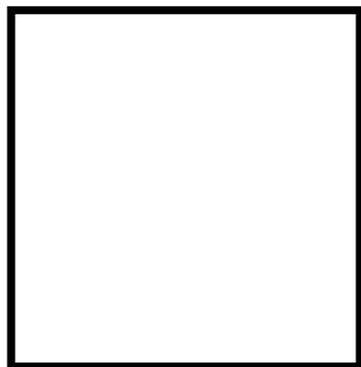

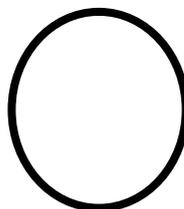

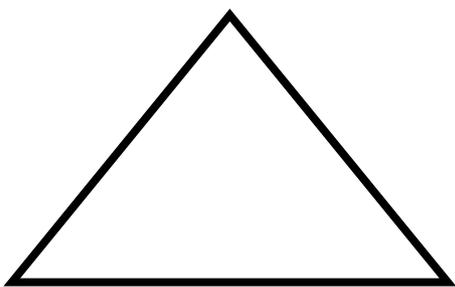

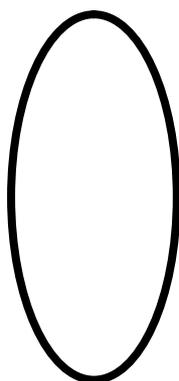

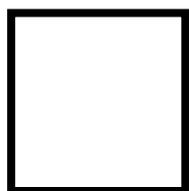

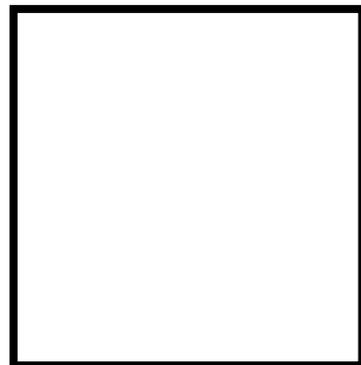

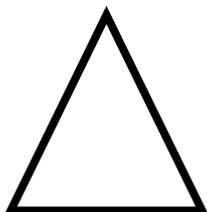

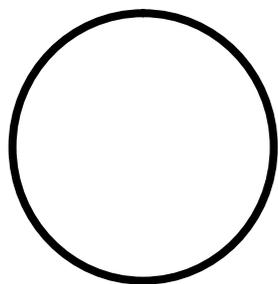

M athématiques: colorie uniquement les ronds

Colorie les pommes en **ROUGE** et les bananes en **JAUNE**.

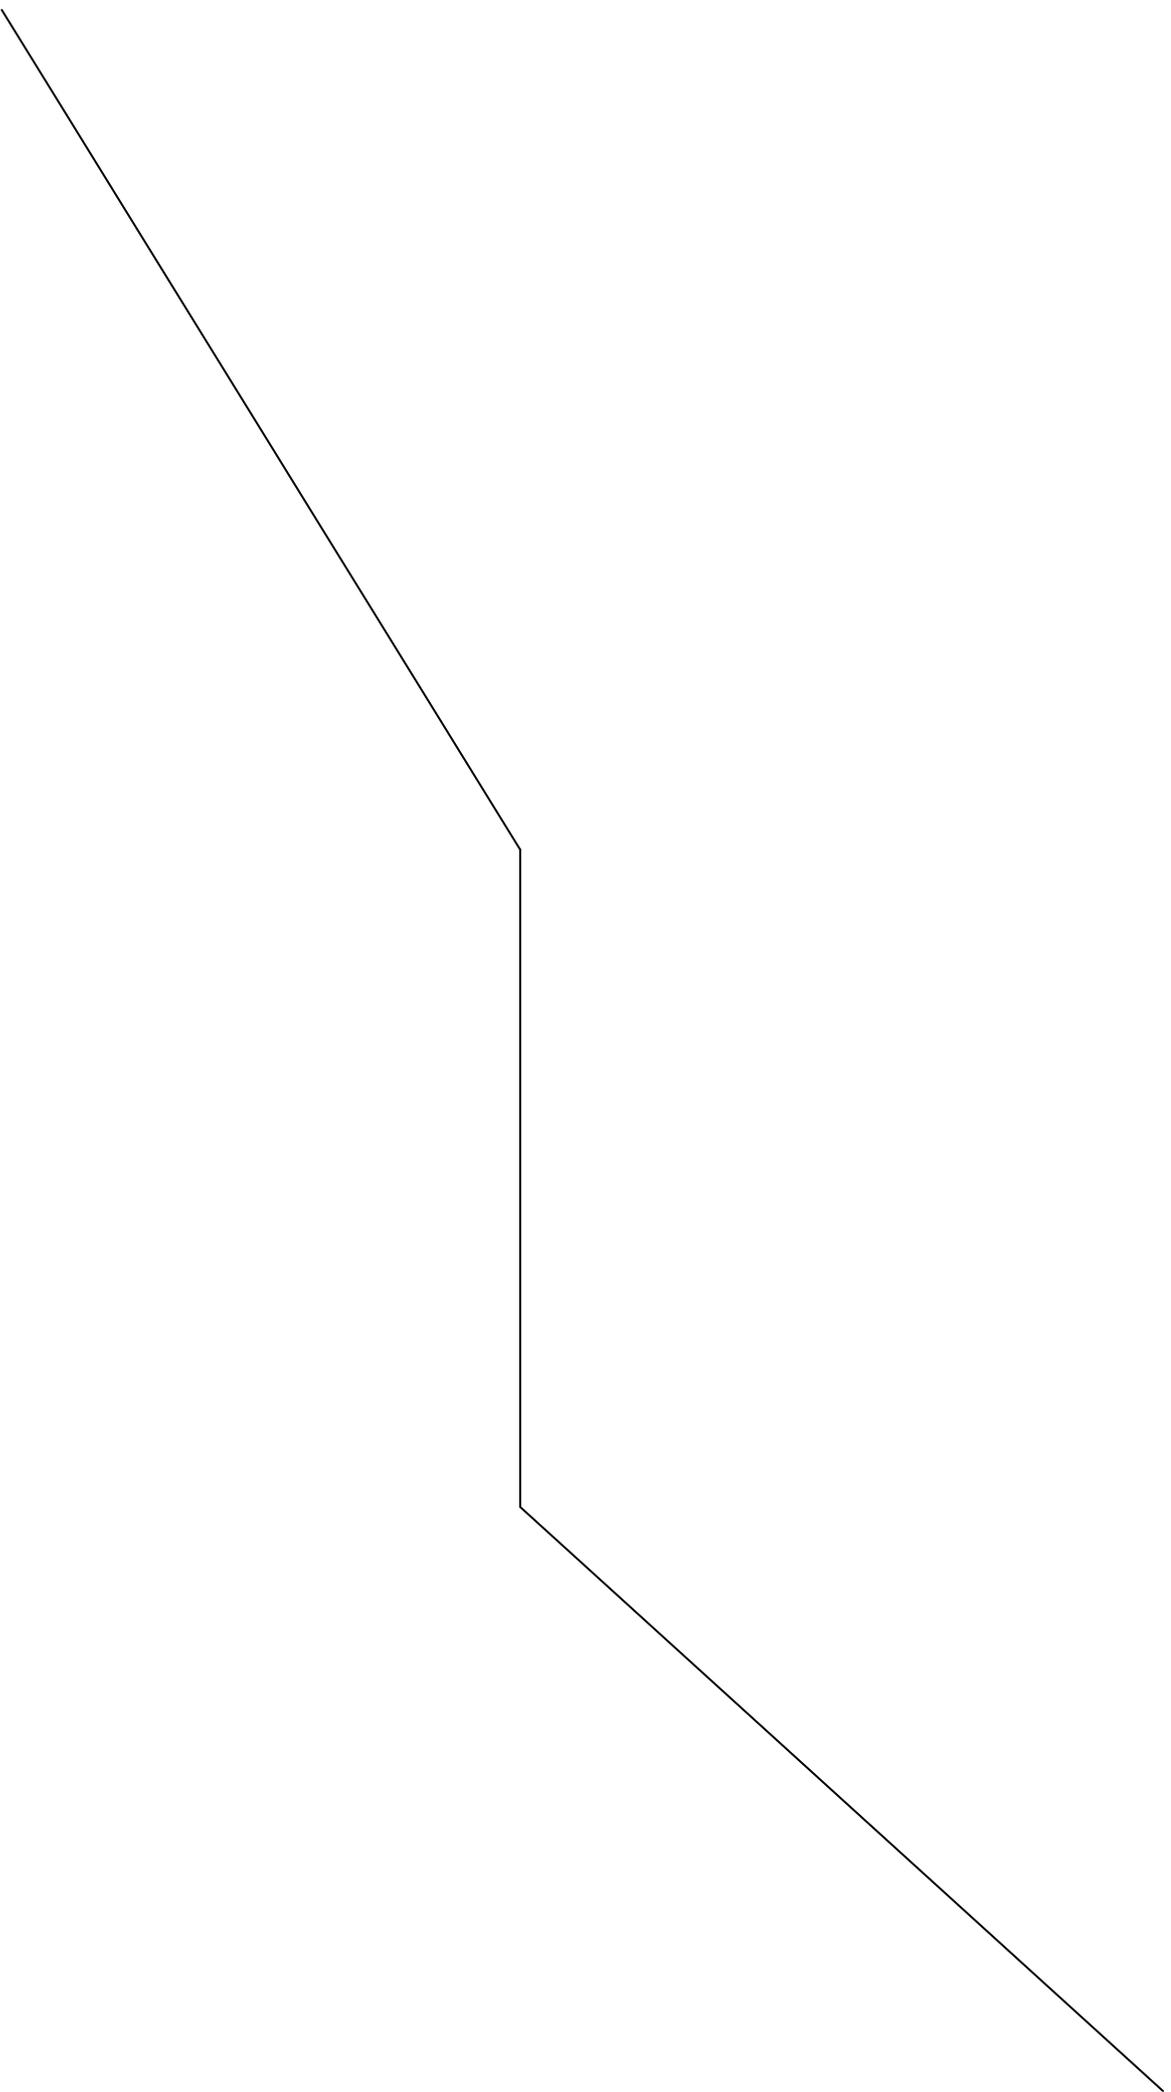

M athématiques: colorie uniquement les carrés

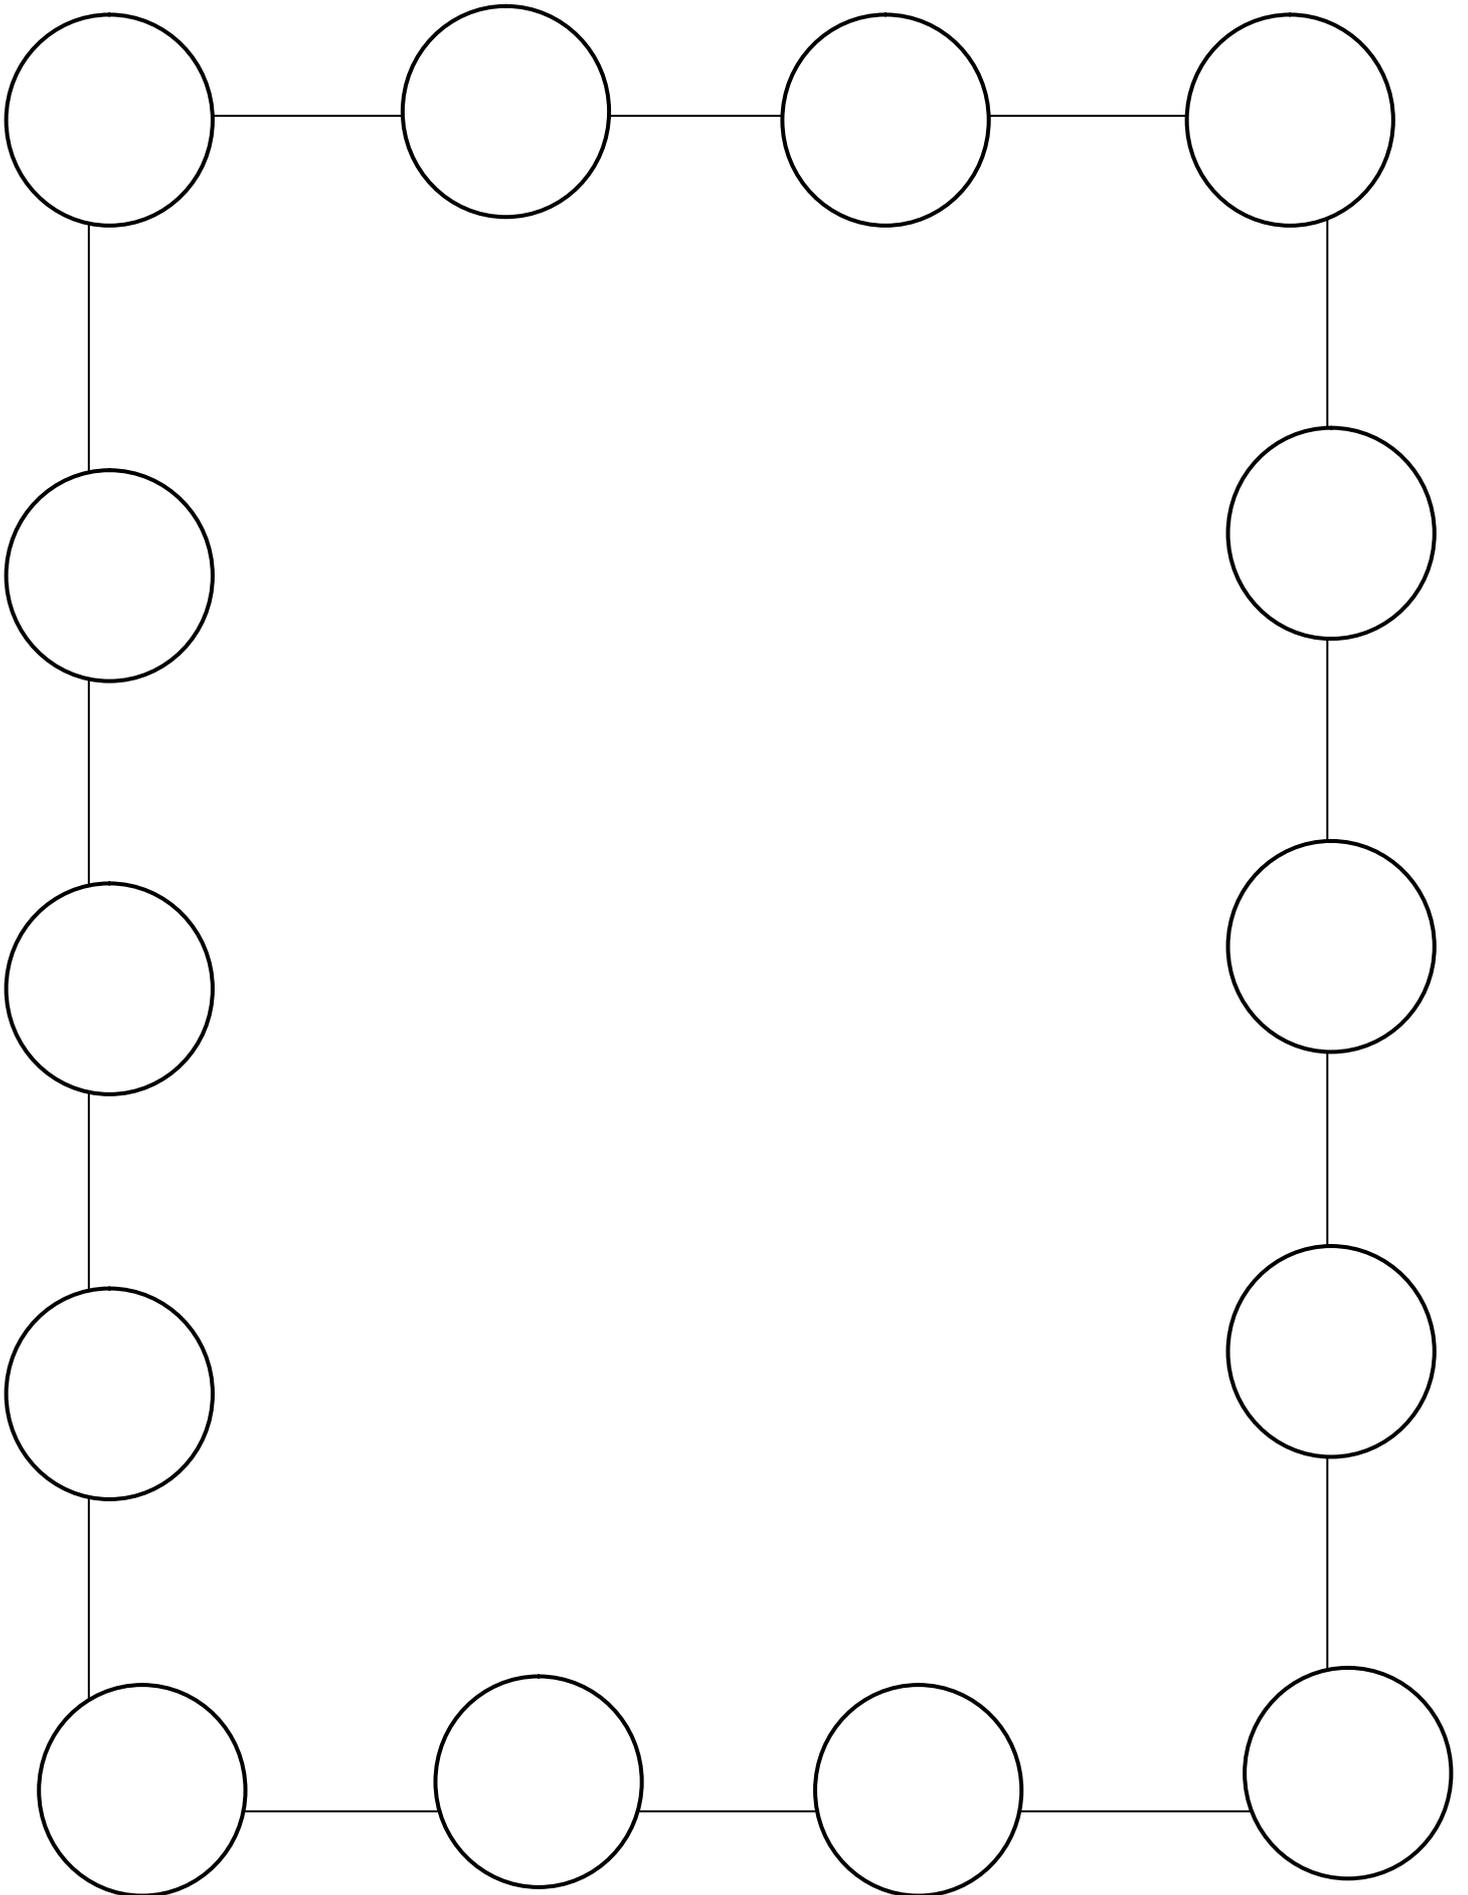

Graphisme: relie les points par un trait horizontal en respectant les couleurs.

Colle des gommettes sur toute la ligne.

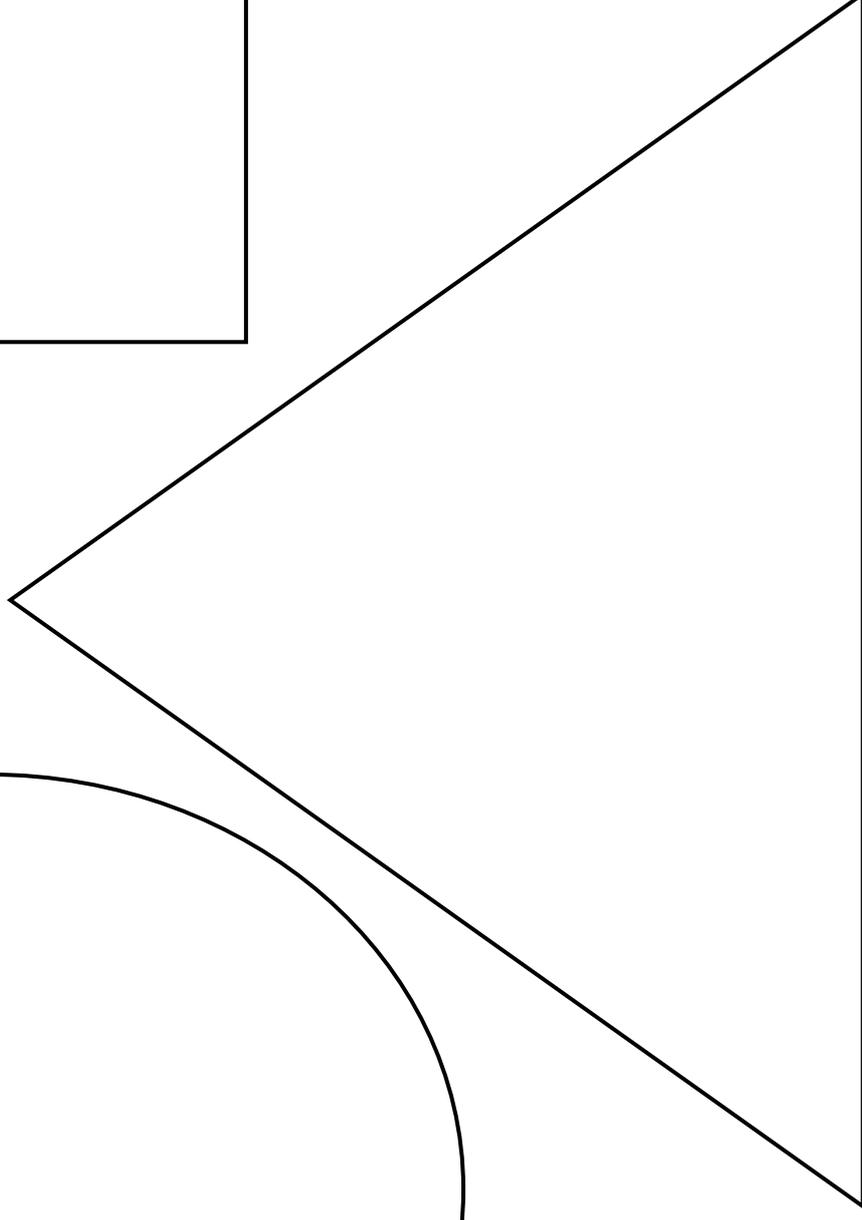

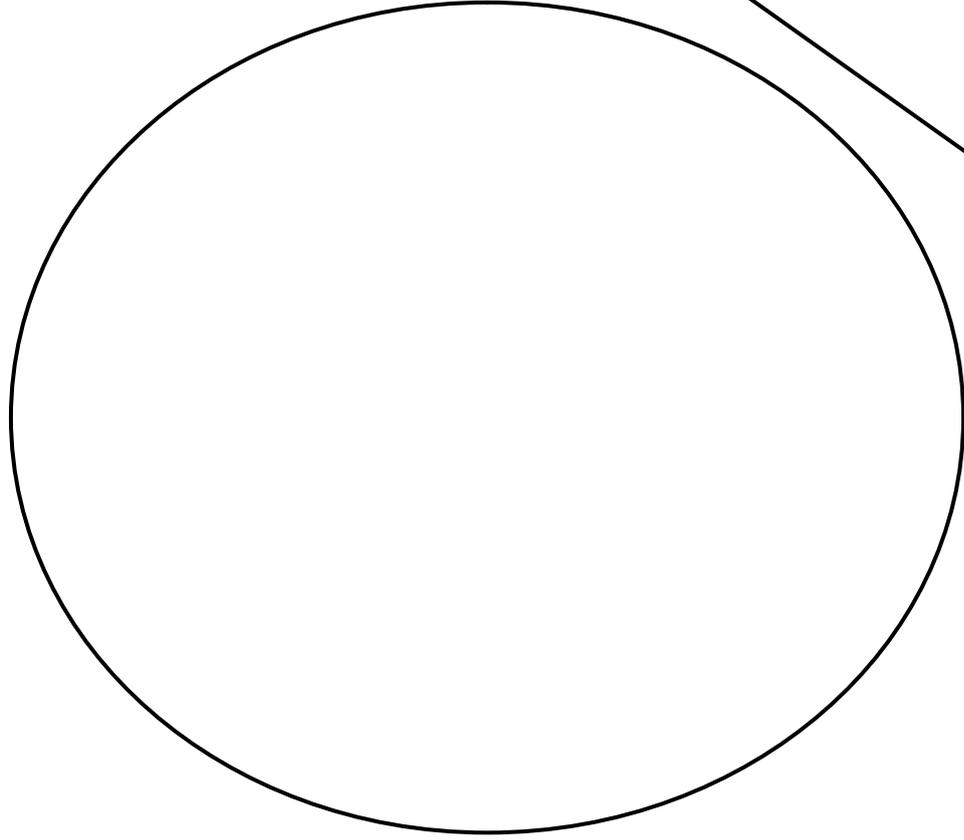

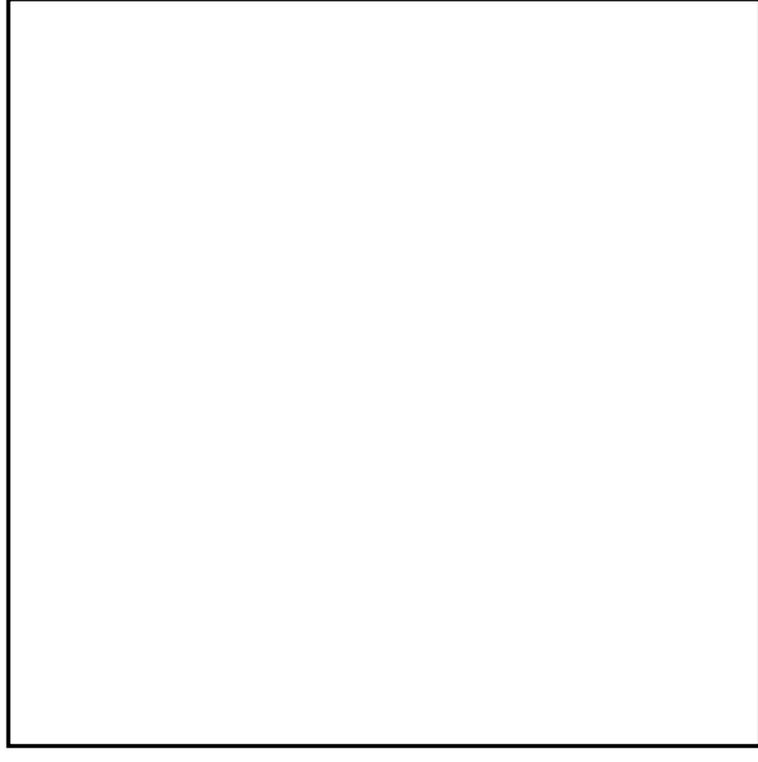

Colle des gommettes en alternant 2 couleurs différentes.

RONDS: dessine les ronds sur le chapeau de l'amanite.

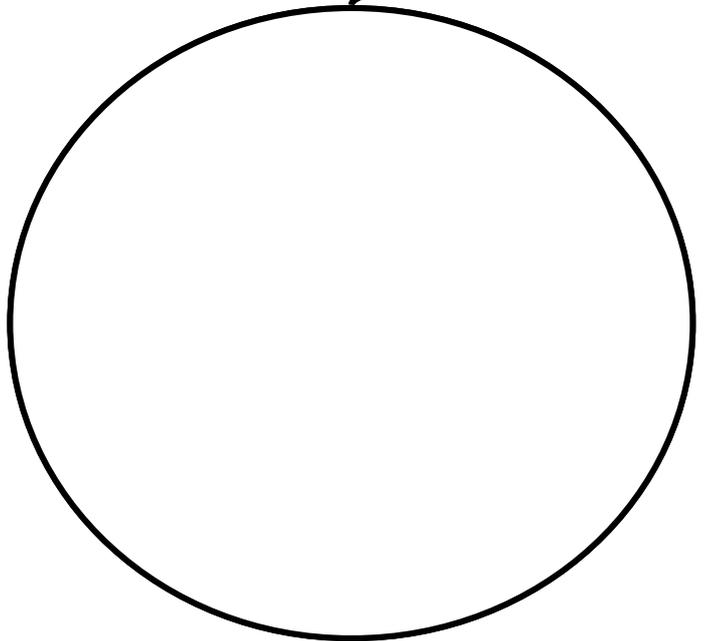

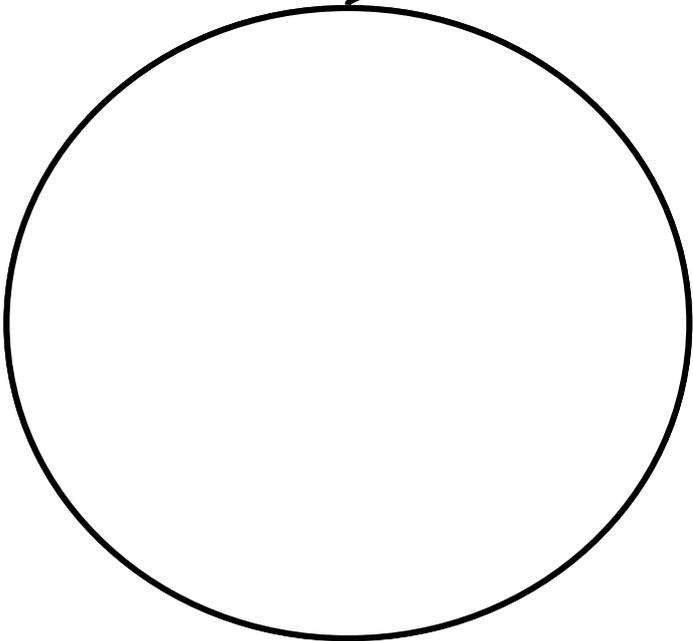

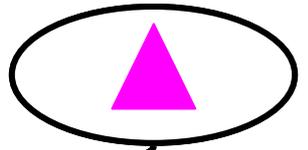

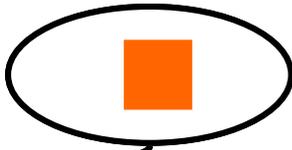

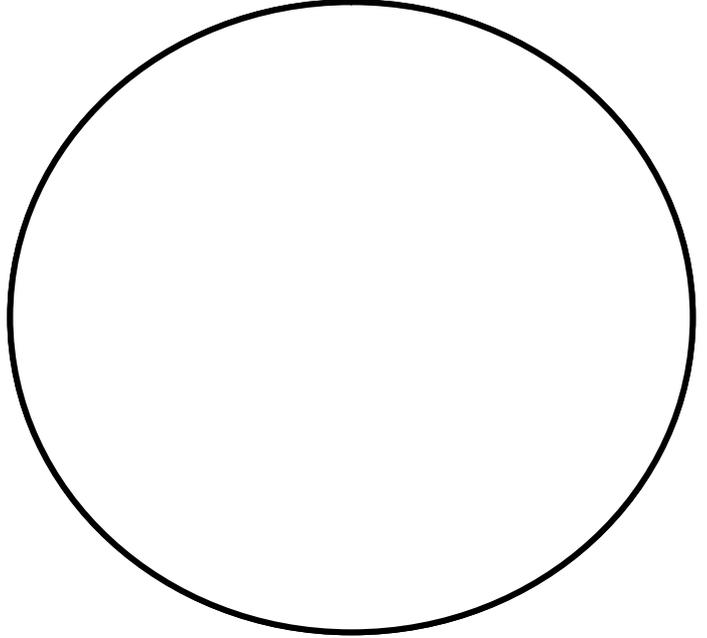

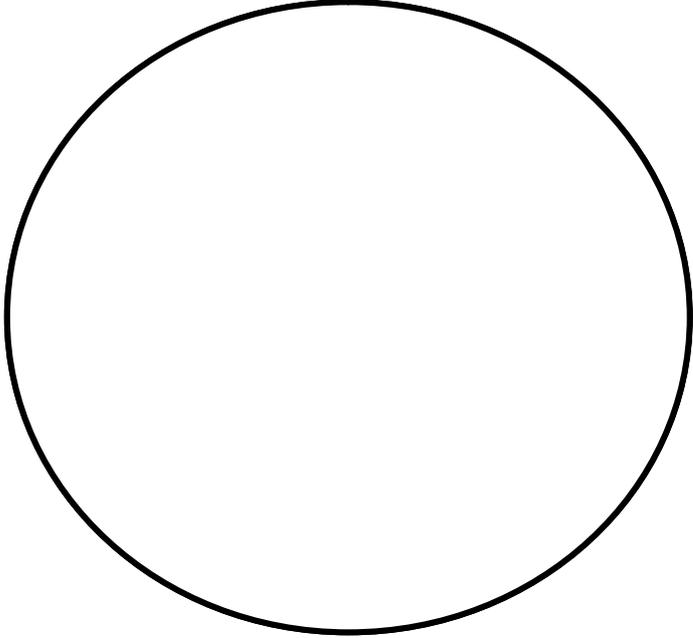

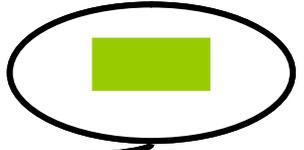

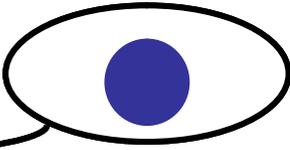

Colle les petites formes dans les grandes (fournir des gommettes de formes géométriques)

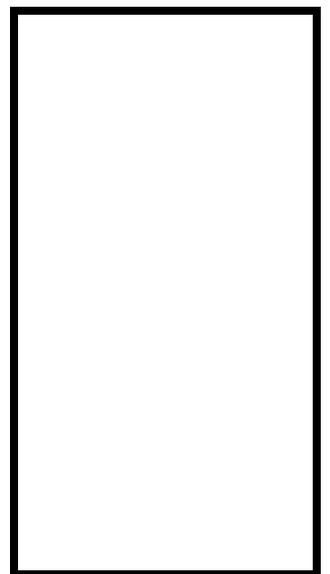

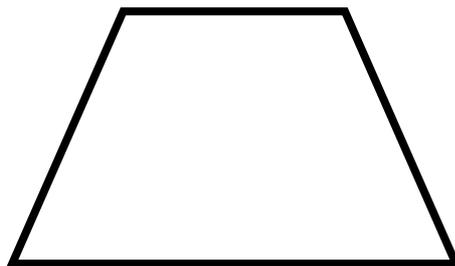

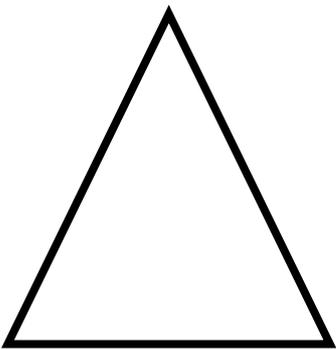

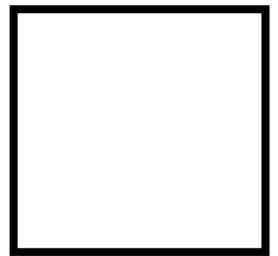

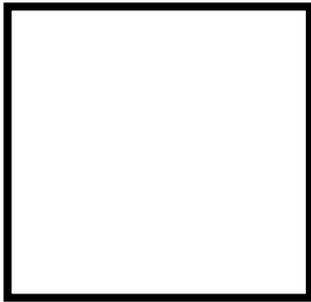

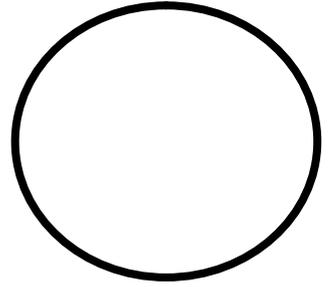

Activité logique: Reconnaître des formes géométriques.

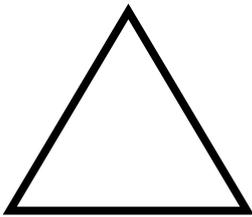

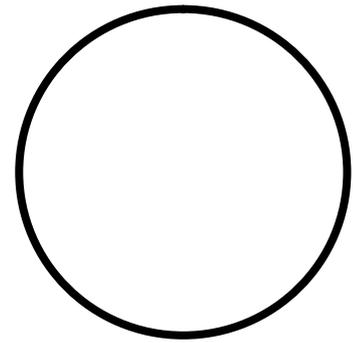

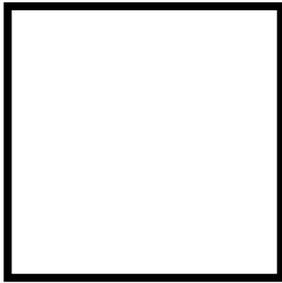

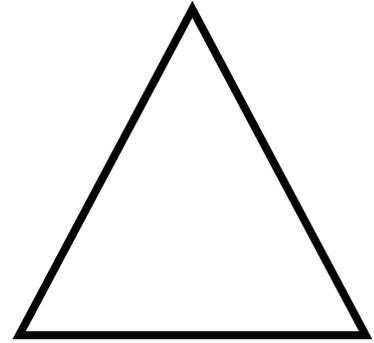

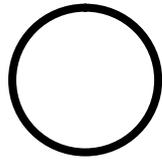

Consigne: place les gommettes au bon endroit.

M athématiques: colorie uniquement les rectangles

Mathématiques: relie la grande forme à sa petite sœur

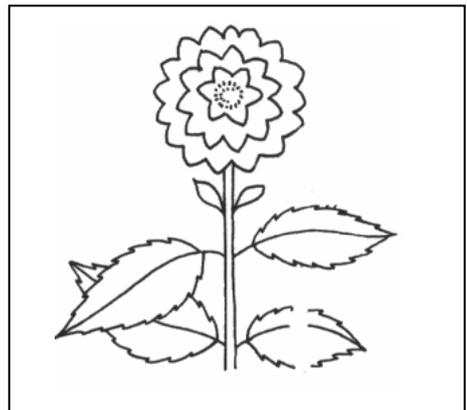

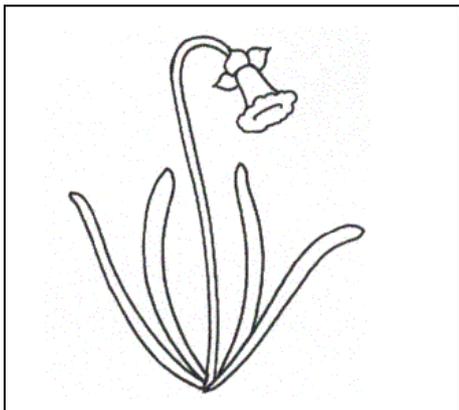

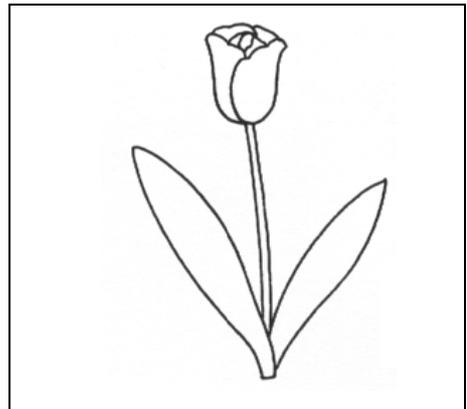

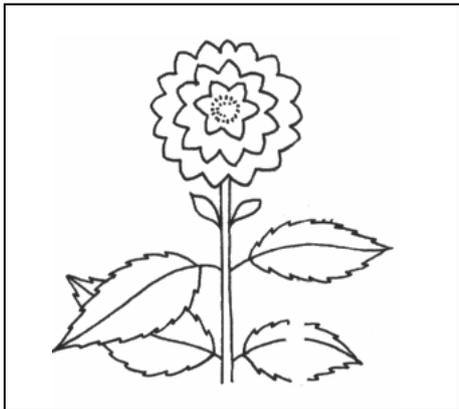

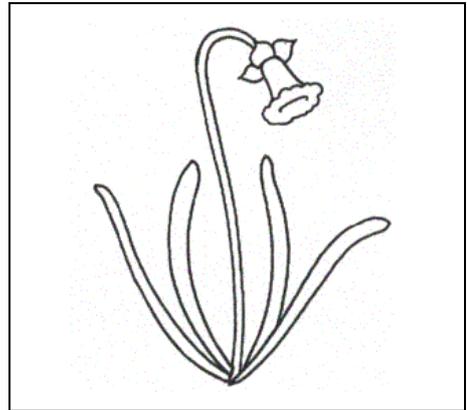

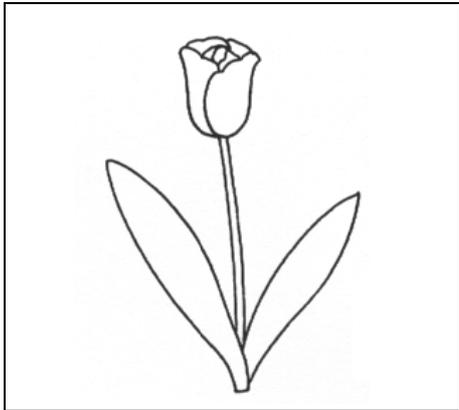

Graphisme: le point

Dessine des points sur le chapeau des champignons

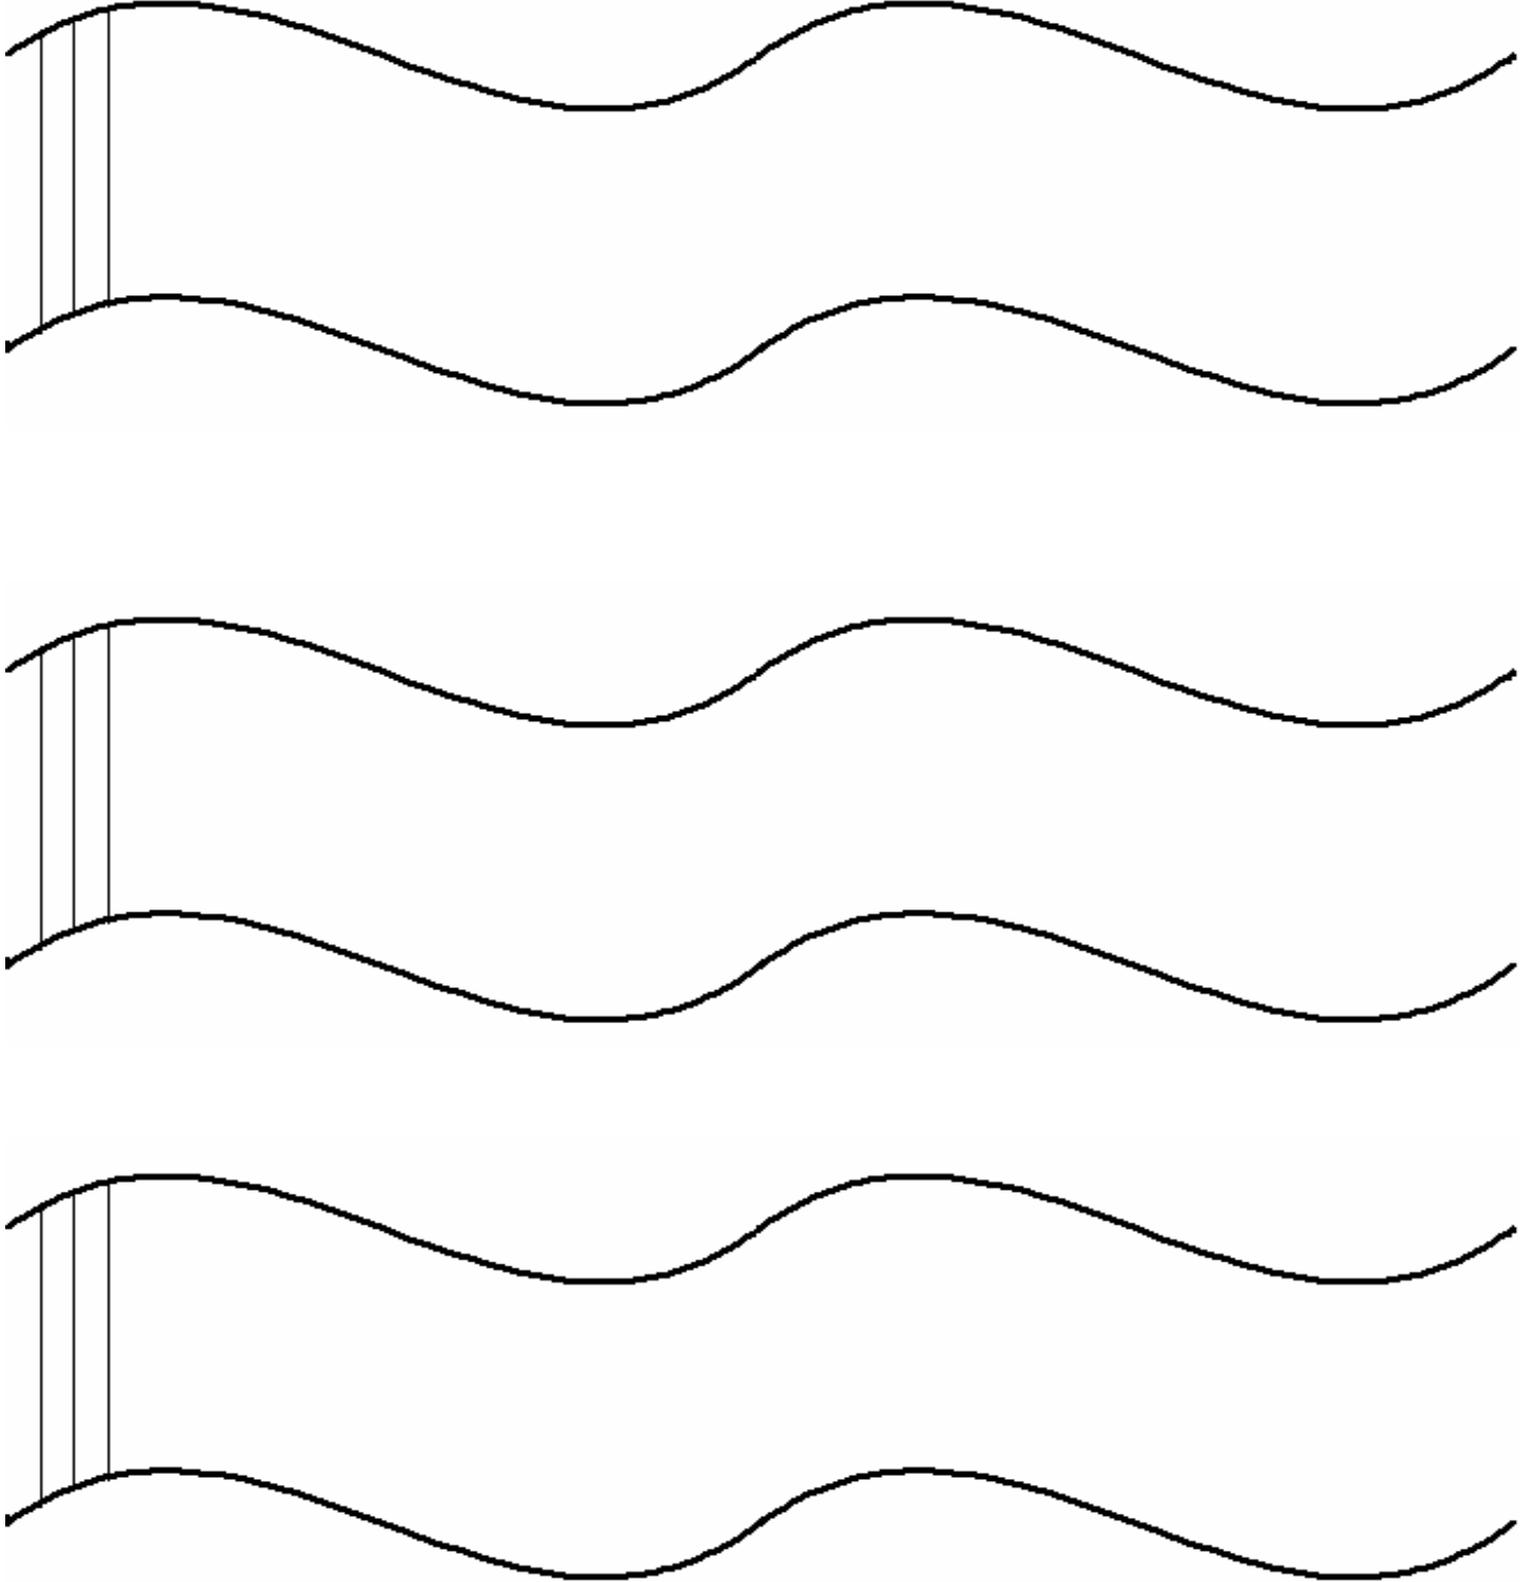

Discrimination visuelle: relie les identiques.

Graphisme: le trait vertical

Trace des lignes verticales tout au long du chemin.

Activité numérique

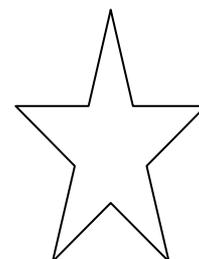

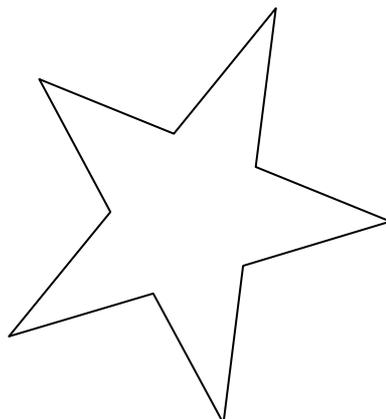

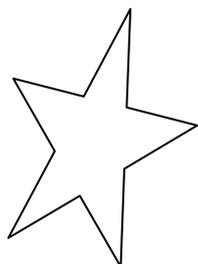

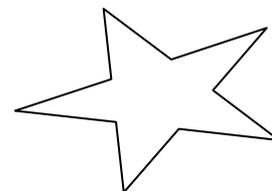

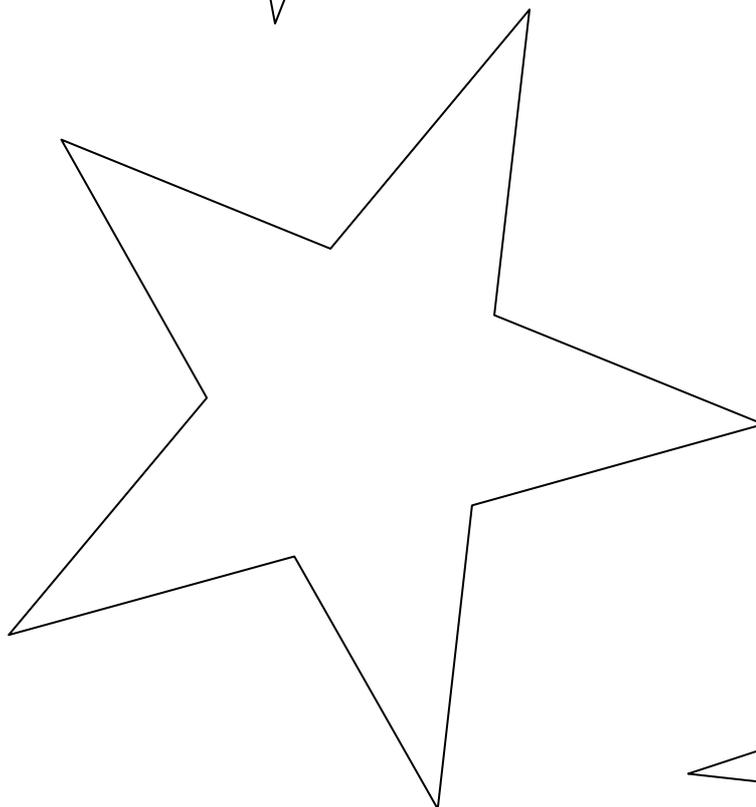

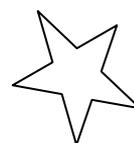

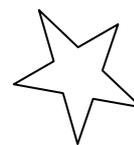

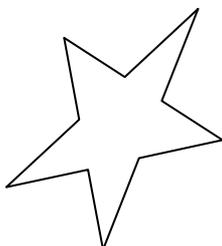

Objectif: savoir dénombrer jusqu'à 2.

Consigne: découpe et colle 2 fraises dans chaque panier.

Graphisme: le rond

Entoure les étoiles.

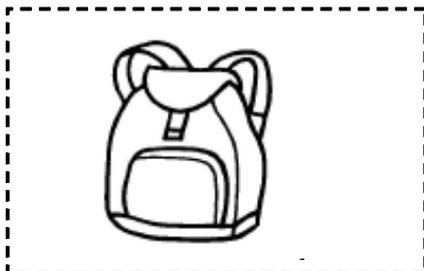

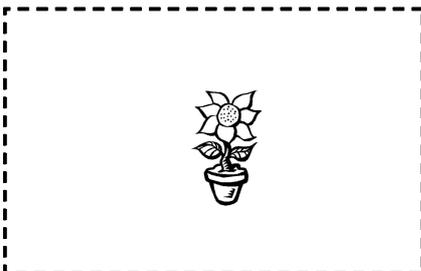

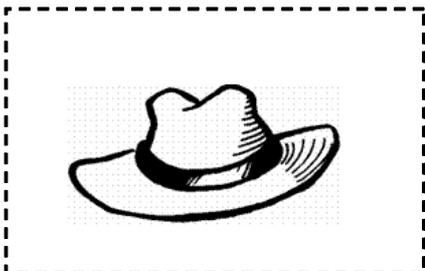

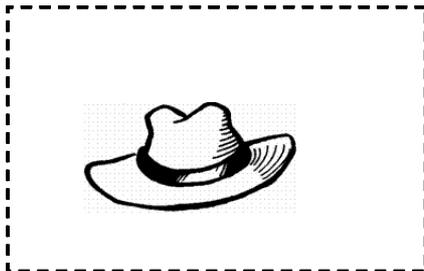

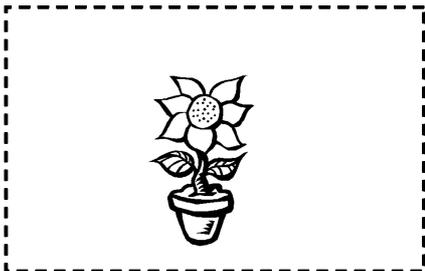

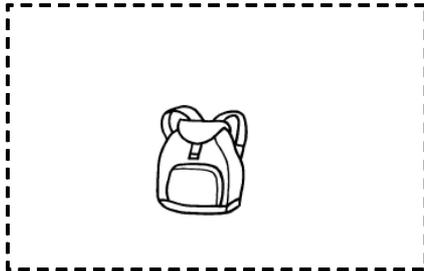

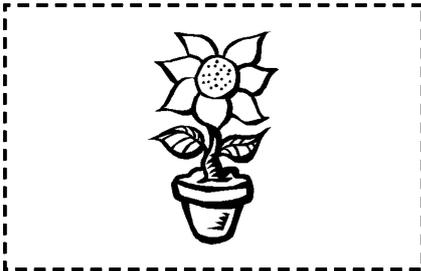

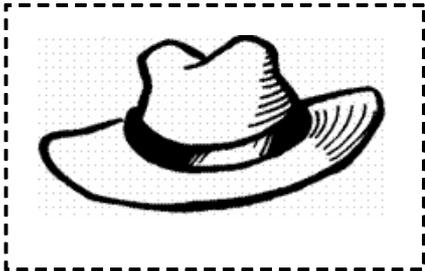

COMPARER DES GRANDEURS

Objectif: comparer des grandeurs d'objet.

Activités préalables: manipuler des objets et les comparer suivant une grandeur (longueur, surface, poids...)

Consigne: colle les étiquettes dans leur colonne suivant leur grandeur.

Graphisme: les lignes brisées

Termine les coquilles d'œuf.
